## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement (IDS) submitted on October 25, 2004 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### ***Response to Arguments***

2. Applicant's arguments filed October 21, 2004 have been fully considered but they are not persuasive. The applicant argues that the motivation stated in the Office action is that both references deal with medical imaging. The Examiner disagrees. The motivation/suggestion stated in the office action in page 3, lines 3-5 states that it would improve the production of images for display.

As to argument of the applicant regarding that the cited reference does not teach or fairly suggest computing of a transfer function range for use in volume rendering 3D data. The Examiner disagrees. Cited reference clearly discloses said limitation in paragraph 84.

Accordingly the Examiner maintains his rejection as evidenced in above response to applicant's argument.

Since the applicant did not amend the claims, the Examiner refers the Applicant to previous office action mailed in July 16, 2004 for further communication.

In summary, claims 1-15 are pending. Claims 1-4, 7, 8, and 10-15 are rejected (see Office action mailed July 16, 2004). Claims 5, 6, and 9 are objected.

***Conclusion***

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
